RE: Case Open

Dear Mr. Weisberg:

Thank you for writing Case Open. As one of the millions of Americans who rejects the findings of the Warren Commision, I was outraged by the publicity surrounding Posner's arrogantly false book, and I was heartened to see that a well-respected researcher responded so quickly and appropriately.

I was twelve years old when John Kennedy was murdered, and I happened to be in front of the television screen when Oswald was shot. Although the demands on my time of supporting and raising my family have prevented me from doing any "reaearch", I read virtually anything I can about the assassination in the hope that some day the truth will come out. I have long been an admirer of your work, although your books are difficult to find.

To that end, please forward copies of Whitewash; Whitewash II; Photographic Whitewash; Oswald in New Orleans; Whitewash IV; and Post Mortem, and please bill me for the books and shipping and handling. If you prefer, please advise of the cost and I will send a check in prepayment.

If Never Again! has been released, kindly include a copy of that, as I have not seen it in the bookstores up here.

Once again, thank you for all of the contributions you have made to the attempted resolution of this controversy. May God bless you and keep you healthy for a long time to come!

Sincerly,

Mike Adams
